

Food Policy

Nobody is allowed to store food in the kitchen. This is due to health regulations. As long as we sell hot beverages only, we are exempt from regular rules and regulations which apply to food businesses, such as cafés, canteens or restaurants. It does not matter whether we sell the food or not. As soon as our kitchen stores food, we are at a much stricter level of health regulations, which we would need then would need to uphold.

No food in Analog. Unfortunately the guests in Analog are not always good at cleaning up after themselves. The cleaning we get in Analog does not include removing food items. Feel free to enjoy a snack (apple, granola bar, etc.) in Analog whilst on shift.
