

Join the Board

Becoming a member of the Board is an amazing opportunity to have an impact in Analog. You get a deeper look into the inner workings of the organisation, and get to be a part of choosing penguins, making policies, and deciding the direction of Analog through different initiatives. Although answering emails and dealing with politics is part of the position, it is a lot of fun seeing the impact of your initiatives.

As being a member of the Board is a lot of work, you are not required to take a shift, and you get premium perks. You can learn much more about the Board in the Board's handbook.

Running for election

You can join the Board by successfully running for election at the General Assembly. You will make a short motivational speech about why you would like to join the board. Then, a referendum among all participants will elect the new members of the Board.

It is not uncommon to see more people running for election than there are positions in the board. Don't let this deter you from running! This is only a positive, as it means that many people want to impact the organisation positively. Please note that it is not disclosed how many votes a candidate received.

The entire Board is up for re-election every semester.
