

# Where to find stuff

Analog has two storage rooms, referred to as storage 1 and 2. The same key is used to access both rooms.

## Storage 1

This is where we keep all our foodstuffs, or stuff used in production. Coffee beans, milk, sugar, straws, etc. are stored here. You will go here most often.

## Storage 2

Here we keep all sorts of stuff, mostly seasonal decorations. We try to keep it tidy, but in reality it is a mess most of the time. There is old equipment, cables, and other random stuff collected through time.
