

General Hygiene

Keeping Analog looking nice and clean makes it a better place to work. Here are a few tips on how to work tidy on your shifts. Though it should not be the main motivation, once in a while Analog gets a visit from the Danish Food Administration, and these are exactly the things they look out for. If they arrive to a messy café, we will get marks for that.

Here are the best ways of keeping the kitchen nice and tidy

- Keep a cloth handy
- Clean as you go
- Wash your hands
- Empty the trash
